**3RD  
EDITION**

**SUBJECT:** Book Care

**LEVEL:** Kindergarten – Third Grade

**SYNOPSIS:** **BE A BOOK BUDDY** teaches children in a very unique and creative way how to care for their books. This film not only teaches proper book care, it also emphasizes that books are their friends for life.

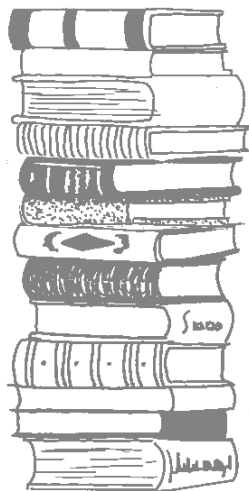

**THE TREATMENT:**

1. Always make sure your hands are clean before you read a book.
2. Keep books away from food and drinks.
3. Turn the pages from the corners only.
4. Never write or draw in a book. Use a separate piece of paper.
5. Always use a proper bookmark.
  - Never put the book face down. This breaks the spine of the book especially if something falls or sits on top of it.
  - Never fold down the corners.
  - Never use anything thicker than a proper bookmark to mark your place.
6. Always protect your books from the weather.
7. Keep books in their proper place.
  - Never leave them on the floor or where babies or pets can reach them.
8. Never throw your books or balance them on your head—carry them.

**SONG LYRICS:**

The moral of my story is,  
That having books is glorious!  
If you learn to care for us,  
We'll never break or tear or muss!  
So please don't be a scary kid—  
Learn the treatment! Larry did!  
Be neat and clean and gentle too.  
Take care of us! We're here for you!  
...And your friends too...
